Attention Wissahickon Families:

For the **2011-2012 school year** the Wissahickon School District Calendar is going digital which means your child will not come home in the fall with a paper school calendar.

Not ready to give up that paper calendar? Don't worry!

WEOF (Wissahickon Educational Opportunities Foundation) is **printing a limited number** of calendars similar in style and size to previous district calendars. The cost will be \$5.

To purchase, please send payment to school (or mail to WEOF) in an envelope marked **WEOF CALENDAR** along with the form below. Cash or checks only; make check payable to WEOF. Pre-ordered calendars will be delivered the first week of school to the designated school. **Based on availability**, CALENDARS will be sold at Back to School Nights

All proceeds benefit the Wissahickon School District. Questions? Call WEOF at 215-619-8011 or email at: mail@weof.org
